RE: 2010-11 Non-English Speaking Program (NESP) Final Allocations

This memorandum serves as notification that the state Non-English Speaking Program (NESP) allocations have been finalized. The final allocations are slightly higher, at \$115.65 per pupil, due to the redistribution of declined funds. A final allocation chart will be attached.

In order to receive funds, the Non-English Speaking Program Cash Request Form must be submitted on a monthly basis. The Cash Request Form is posted at <http://www.doe.in.gov/lmmp/nonenglishspeakingprogram.html> and is submitted to Robin Parker, Account Manager. Funds are assigned to fund number 371 and account number 3291. NESP funds must be encumbered by June 30, 2011, and spent by September 30, 2011. Any unused funds must be returned to the Indiana Department of Education for reallocation. All participating school corporations and charter schools will be required to submit final performance and expenditure reports.

The purpose of the state-funded Non-English Speaking Program (NESP) is to provide English language development instruction to K-12 limited English proficient (LEP) students in order to increase their English language proficiency and academic achievement.
